End Application:

4820-01-560-5746 3" ball valve; lhd5

Port Quantity:

2

Stem Accommodation Quantity:

1

Port Configuration:

Straight

Special Features:

USED-ON-3IN-CHBA

Material:

Nickel alloy

Material Specification:

Qq-n-281 class a h.F. Federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A500t0
