**Body Material:**

Brass

**End Application:**

Pneumatic fluid pressure controller

**Product Name:**

Ctrl, br, bul, flow

**Supplementary Features:**

Ambient temp limits -40 deg. F to +180 deg. F; needle valve closed 50 psig, open 250 psig; constant differential flow controller; body construction brass with neoprene diaphragm

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A21100
