**Body Material:**

Brass

**End Application:**

Pneumatic fluid pressure controller

**Product Name:**

Vlv, ball, br shutoff

**Special Features:**

End connections size one quarter, inlet/outlet fractional tube fittings; orifice in. 0.125, mm 3.2

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A21100
