**End Application:**

2320-01-528-6294, mobile water tank/tactical fire fighting truck

**Valve Operation Method:**

Air

**Valve Size:**

0.500 inches

**Product Name:**

Valve ball, 0.50 in, air actuated

**Material:**

Steel comp 316

**Supplementary Features:**

Thd end, rfe seats, mounted to a spring return crand actuator

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A046b0
