**Overall Diameter:**

180.0 millimeters

**End Connection Quantity:**

5

**End Application:**

Gpc1-10000-ar, gas pressure controler, nsn: 6685-01-529-6990, tester pressure gage.

**Valve Operation Method:**

Gas

**Product Name:**

Manifold, ss, drain, gps1

**Special Features:**

Manifold has three holes from left end as follows: 1/2-20 unf-2b 8min, 3 places. Hole one 34mm, hole two 52mm, hole three 70mm from left end to center for drain,

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A50410
