Body Material:

Aluminum

Seat Material:

Rubber, buna-n

End Connection Quantity:

3

Temperature Adjustability:

Not adjustable

Temperature Rating:

65.0 degrees fahrenheit

Valve Size:

0.750 inches

Special Features:

Npt connection type; valve pressure rating: 350 psi

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A21100
