End Application:

4820-01-565-9280; ffg51

Special Features:

Application: diesel exhaust drain

Material:

Steel

Material Specification:

Astm a351-cf3m assn standard single material response

Media For Which Designed:

Air

Style Designator:

Solid wedge

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:
