**Product Name:**

285 butterfly valve

**Special Features:**

28t cold working pressure; body material astm 4395 60-40 18; disc al bronze; shaft materail 4ph

**Material:**

Iron body and copper alloy body

**Supplementary Features:**

Seat materail astm b148 alloy; o ring buna ii, 10 position throttling handle; 5 inch disc

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A046b0
