Product Name:

285 butterfly valve

Special Features:

28t cold working pressure; body material astm 4395 60-40 18; disc al bronze; shaft materail 4ph

Material:

Iron body and copper alloy body

Supplementary Features:

Seat materail astm b148 alloy; o ring buna ii, 10 position throttling handle; 5 inch disc

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A046b0
