End Application:

New construction lcs2

Product Name:

Seat, valve .250 fkm

Special Features:

Material: fluoroelastomer (fkm); requires 4 per assembly; next higher assembly: single head chemical feed pump, p/n ezb20d1-vc

Material:

Rubber

Style Designator:

Plain flanged

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A15500
