**End Application:**

New construction lcs2

**Valve Size For Which Designed:**

0.250 inches

**Product Name:**

Ball, valve, .250 ce

**Valve Design Control Activity:**

30128

**Special Features:**

Material: ceramic; 4 required per assembly; next higher assembly p/n ezb20d1-vc single head chemical feed pump

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A517w0
