End Application:

New construction lcs2

Valve Size For Which Designed:

0.250 inches

Product Name:

Ball, valve, .250 ce

Valve Design Control Activity:

30128

Special Features:

Material: ceramic; 4 required per assembly; next higher assembly p/n ezb20d1-vc single head chemical feed pump

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A517w0
