End Application:

Marine support equipment

Product Name:

Inverted vent check valve

Special Features:

52-20f vents nd50 flanges (s/smetric) 155mm od flat flange, bolting 8 holes diameter on 130mm p.C.D. 316ss cast construction, copper float, stainless screens

Material:

Steel comp 316 body

Supplementary Features:

Inverted vent check valve; screen 40 mesh flame and 1/4inch square protective

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A530b0
