Overall Height:

0.259 inches

Body Outside Diameter:

1.062 inches

Body Inside Diameter:

0.562 inches

End Application:

4820-01-259-1319, p/n 259089 assembly a; 4820-01-273-4722, ball valve, p/n 258850 asst d mod a-b plain

Seating Surface Shape:

Radial

Product Name:

Seat - 1-way seal 0-4500 psi w.P.

Material:

Plastic

Material Specification:

Torlon 4203I as mfgd by amoco chemical corporation mfr ref single material response or ultem 1000 as mfgd by general electric company mfr ref single material response

Style Designator:

Plain

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A15500
