Maximum Operating Pressure:

2500.0 pounds per square inch

End Application:

Nha 6105-01-573-3499, p/n sw1000hn coil puller; new construction cvn 77

Product Name:

Directional foot valve

Special Features:

Working ports 1/2 inch npt, in/out 3/4 inch npt; built in relief valve factory set at 1500 psi; open center, spring return neutral, replaceable seats

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07100
