**Flow Control Device:**

Ball

**End Application:**

4110-01-534-7675; mobile int coll sys

**Body Material:**

Copper alloy

**Product Name:**

Extended-life bronze ball valve

**Special Features:**

Spring-close lever with slightly restricted flow; length 2.25 inches

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A502c0
