Flow Control Device:

Ball

End Application:

4110-01-534-7675; mobile int coll sys

Body Material:

Copper alloy

Product Name:

Extended-life bronze ball valve

Special Features:

Spring-close lever with slightly restricted flow; length 2.25 inches

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A502c0
