End Application:

4920-01-579-6399 hydraulic servicing unit

Valve Operation Method:

Manual

Product Name:

Valve, check

Special Features:

Cartridge type

Material:

Rubber synthetic packing

Media For Which Designed:

Hydraulic fluid, petroleum base single response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A530b0
