**Connection Type:**

Threaded external tube 1st end

**Product Name:**

Low pressure, proportional relief valve

**Special Features:**

End connection is 6mm metric tube fitting on both ends

**Material:**

Steel comp 316 body

**Style Designator:**

Angle

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A046b0
