**Body Material:**

Brass

**Media For Which Designed:**

Air and water

**Maximum Inlet Pressure Rating:**

300.0 pounds per square inch

**Temperature Rating:**

Between 0.0 degrees fahrenheit and 180.0 degrees fahrenheit

**Product Name:**

Brass extended-life pressure regulator, 1/2 in npt female, 10-40 psi

**Special Features:**

0.5 id; 0.75 od; port-to-port lg: 5 in;

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A21100
