Body Material:

Brass

Media For Which Designed:

Air and water

Maximum Inlet Pressure Rating:

300.0 pounds per square inch

Tempurature Rating:

Between 0.0 degrees fahrenheit and 180.0 degrees fahrenheit

Product Name:

Brass extended-life pressure regulator, 1/2 in npt female, 10-40 psi

Special Features:

0.5 id; 0.75 od; port-to-port lg: 5 in;

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A21100
