**Body Material:**

Brass

**Media For Which Designed:**

Air and water

**Maximum Inlet Pressure Rating:**

300.0 pounds per square inch

**Temperature Rating:**

Between 0.0 degrees fahrenheit and 180.0 degrees fahrenheit

**Product Name:**

Brass extended-life pressure regulator, 1 in npt, female, 10-40 psi

**Special Features:**

Port-to-port length: 6 7/16 in; pipe size: 1 in; od 1 3/8 in

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A21100
