Body Material:

Brass

Media For Which Designed:

Air and water

Maximum Inlet Pressure Rating:

300.0 pounds per square inch

Temperature Rating:

Between 0.0 degrees fahrenheit and 180.0 degrees fahrenheit

Product Name:

Brass extended-life pressure regulator, 1 in npt, female, 10-40 psi

Special Features:

Port-to-port length: 6 7/16 in; pipe size: 1 in; od 1 3/8 in

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A21100
