**Thread Length:**

18.000 inches first threaded portion

**Flange Diameter:**

1.000 inches

**Under Flange Height:**

0.562 inches

**Thread Size:**

0.375 inches first threaded portion

**Product Name:**

Seat 3/8 inch needle & lift check valve

**Material:**

Steel comp 303

**Style Designator:**

Faucet

**Thread Series Designator:**

Unf second threaded portion

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A15500
