Thread Length:

18.000 inches first threaded portion

Flange Diameter:

1.000 inches

Under Flange Height:

0.562 inches

Thread Size:

0.375 inches first threaded portion

Product Name:

Seat 3/8 inch needle & lift check valve

Material:

Steel comp 303

Style Designator:

Faucet

Thread Series Designator:

Unf second threaded portion

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A15500
