Body Material:

Steel

Outlet Pressure Range:

+50.0 to 1500.0 pounds per square inch

Maximum Inlet Pressure Rating:

5000.0 pounds per square inch

Filter:

Not included

Product Name:

Direct acting 3-port pressure reducing valve

Special Features:

Pressure adjustment screw; cavity t-11a; valve hex size 7/8 inch

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A046b0
