End Application:

4810-00-150-2295

Product Name:

Vale block

Material:

Aluminum alloy

Surface Treatment:

Anodize

Surface Treatment Specification:

Mil-a-8625 typeii, class (black) military specification single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A507u0

Mil-std (military Standard):

Mil-a-8625 spec.
