**Body Material:**

Zinc

**Furnished Items:**

Indicator

**Filter:**

Not included

**Product Name:**

Excelon 72 series filter/regulator

**Special Features:**

Medium-compressed air; inlet pressure 10 bar for b72g with metal bowl and auto drain; ambient temperature minus 34 to plus 65 dg celsiu (b72g) ; material for b72g-bonnet acetal; valve brass; transparent bowl polycarbonate; meatl bowel zinc; liquid level indicator lens for metal bowl is transparent nylon, pryex optional; element is sintired polypropylene and elastomers are neoprene and nitrile

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A21100
