Overall Height:

3.38 inches

End Application:

T45 destroyer

Valve Operation Method:

Manual

Connection Type:

Threaded internal pipe

Valve Size:

0.75 inches

Product Name:

Three way dual shutoff valve

Inlet Relationship With Outlet:

Identical

Material:

Stainless steel seat

Material Specification:

Hansens technologies cat k109f mfr ref single material response seat

Thread Series Designator:

Npt

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A500a0
