Flow Control Device:

Ball

End Application:

Backflow prev

Connection Style:

Swivel nut, inverted flare (pipe) 3rd end

Valve Operation Method:

Manual

Connection Type:

Threaded external pipe 2nd end

Product Name:

Pot and glass filler assembly w/flex hose w/90 degree spray

Material:

Steel

Media For Which Designed:

Water, fresh single response

Style Designator:

A1 straight thru

Thread Series Designator:

Npt 2nd end

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A046b0
