**Valve Operation Method:**

Automatic

**Maximum Operating Pressure:**

350.0 bar single response

**Opening Pressure Setting:**

1.0 bar

**Product Name:**

Double pilot operated check valve, sandwich configuration

**Special Features:**

Sandwich style valve; d03

**Material:**

Steel

**Media For Which Designed:**

Oil, hydraulic single response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A530b0
