Valve Operation Method:
Automatic
Maximum Operating Pressure:
350.0 bar single response
Opening Pressure Setting:
1.0 bar
Product Name:
Double pilot operated check valve, sandwich configuration
Special Features:
Sandwich style valve; d03
Material:
Steel
Media For Which Designed:
Oil, hydraulic single response
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A530b0
