End Application:

Needle valves 3000 and 4500 psi oxygen and non-oxygen

Valve Size For Which Designed:

0.5 inches

Product Name:

Sleeve, stem

Stem Actuating End Type:

Rounded

Material:

Aluminum alloy and bronze

Material Specification:

Qq-c-465 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A500r0
