**End Application:**

2355-01-560-2306

**Product Name:**

Valve, preset pressure, 0 to 100psi

**Special Features:**

Material is stainless steel

**Supplementary Features:**

Item is a pneumatic regulating valve

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A07100
