**End Application:**

Control air 360-dc-k

**Component Quantity:**

4

**Nonsupply Items And Quantities:**

Instructions, diaphragm assembly, housing o-ring, pintle assembly

**Valve Type For Which Designed:**

Fluid pressure regulating

**Product Name:**

Repair kit, valve air regulator

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A505x0
