Bonnet Type:

Inside spring

Bonnet Attachment Method:

Bolted

Valve Operation Method:

Manual

Connection Type:

Socket, weld, pipe and socket, weld, tube

Valve Size:

2.0 inches

Inlet Relationship With Outlet:

Identical

Pressure Class:

800.0 pounds

Material:

Steel comp 410 stem

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A500a0
