**Inside Diameter:**

1.250 inches

**Overall Length:**

1.312 inches

**End Application:**

Mk45 nsfs, pl5788149

**Product Name:**

Retainer, check valve

**Valve Design Control Activity:**

53711

**Special Features:**

Next higher assembly 7249107, 5788149

**Material:**

Steel

**Material Specification:**

Aisi 1015-1026 national specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A512e0
