Inside Diameter:

1.250 inches

Overall Length:

1.312 inches

End Application:

Mk45 nsfs, pl5788149

Product Name:

Retainer, check valve

Valve Design Control Activity:

53711

Special Features:

Next higher assembly 7249107, 5788149

Material:

Steel

Material Specification:

Aisi 1015-1026 national specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A512e0
