End Application:

Fuels operational readiness capability, 0417-00-1000

Special Features:

Next higher assembly reverse flow pilot valve 100-01-565k

Material:

Stainless steel

Reference Data And Literature:

To 37a9-3-5-61

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23900
