Valve Operation Method:

Manual

Valve Size:

0.50 inches

Product Name:

1/2npt brass

Special Features:

Next higher assembly m103000-30t hpc

Material:

Copper alloy body

Material Specification:

Brass mfr ref single material response body

Media For Which Designed:

Oil single response

Style Designator:

A1 straight thru

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A046b0
