Inlet Connection Type:

Threaded external, flareless

Maximum Operating Temp:

140.0 degrees fahrenheit

Valve Operation Method:

Knob

Outlet Connection Type:

Threaded external, flareless

Outlet Thread Series Designator:

Unf

Maximum Operating Pressure:

3000.0 pounds per square inch

Inlet Thread Size:

0.250 inches

Inlet Thread Series Designator:

Unf

Outlet Thread Size:

0.250 inches

Product Name:

Valve, bleed

Material:

Steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A519g0
