Directional Control Linear Valve - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/4820-01-616-3530

End Connection Quantity:
4
Valve Operation Method:
Air
Body Material:
Copper alloy
Product Name:
Automatic flow control, isolator y
Special Features:
Cartridge is ss; 1/2 in housing size; valve seals polytetrafluoroethylene
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A506h0
