End Application:

3930-01-599-9978; fork lift truck

Width:

20.0 millimeters all ends

Valve Operation Method:

Manual

Flange Shape:

Hexagon all ends

Mounting Facility:

Threaded fastener

Product Name:

Valve, ball 2-g1/4

Special Features:

Lever is 67 mm length

Style Designator:

A1a straight through flanged ends

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A046b0
