End Connection Quantity:

2

Body Material:

Steel

Product Name:

Flow control valve

Special Features:

Length: 4.5", width: 1.50" height open: 3.18" height closed: 2.97", flow, max., gpm: 19, pressure drop psi: 200, mounting: subplate, port size: 3/8 nptf, subplate port location: side.

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A502c0
