Body Material:

Brass

Overall Length:

Between 5.510 inches and 5.910 inches

Outlet Pressure Range:

+0.0 to 150.0 pounds per square inch

Maximum Inlet Pressure Rating:

3000.0 pounds per square inch

Filter:

Not included

Product Name:

Regulator-pressure reducing

Special Features:

Design proof pressure is 150% of rated pressure; o/a diameter is 0.259 in (nom)

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A21100
