Directional Control Linear Valve - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/4820-01-624-0556

## End Connection Quantity:

2

Valve Discharge Flow Rate:

15.0 gallons per minute

# Valve Operation Method:

Automatic

### **Body Material:**

Stainless steel

#### **Product Name:**

3 to 1 pilot ratio; standard capacity counterbalance vlv

#### **Special Features:**

3 ports; viton rubber seal

## Shelf Life:

N/a

#### Unit Of Measure:

---

## Demilitarization:

No

#### Fiig:

A506h0
