End Application:

4820-01-625-1633

Valve Size For Which Designed:

2.50 inches

Product Name:

Disc union

Valve Design Control Activity:

57574

Material:

Stainless steel

Material Specification:

Astm a479 type 304 assn standard 1st material response or astm a479 type 316 assn standard 2nd material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A512e0
