Flow Control Device:

Stem

Valve Operation Method:

Manual

Product Name:

Globe 1590t bronze

Special Features:

Polytetrafluoroethylene disk; 150 lb swp - 300 lb wog; union bonnet; gland packed; sweat ends

Material:

Graphite packing

Media For Which Designed:

Liquid single response

Style Designator:

Straight thru

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A046b0
