Flow Control Device:
Stem
Valve Operation Method:
Manual
Product Name:
Globe 1590t bronze
Special Features:
Polytetrafluoroethylene disk; 150 lb swp - 300 lb wog; union bonnet; gland packed; sweat ends
Material:
Graphite packing
Media For Which Designed:
Liquid single response
Style Designator:
Straight thru
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A046b0
