Pressure And Temperature Relief Valve - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/4820-01-629-6891

Body Material:
Steel
Tempurature Rating:
400.0 degrees fahrenheit
Opening Pressure Setting:
5.00 pounds per square inch
Product Name:
Modulating large capacity pilot valve
Special Features:
Size- 2x3 full bore
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A07100
